I am lovable

I am enough

I am not a quitter

My voice matters

I run my own race

I am not a mistake

I believe in myself

I choose to be happy

I deserve to be happy

I can heal from my past

I am unique and beautiful

I am a valuable somebody

I am destined for greatness

I love and appreciate myself

I am grateful for what I have

I can arise above any obstacle

I choose to be positive in my life

I have so much to offer humanity

Self-love affirmations

I will not compare myself to anybody

I don't need to say yes to everything

I have the power within me to change

I don't need anyone to make me feel worthy

I am a beautiful and purposeful creation

I don't have to please everyone around me

I will rise above all my failures and mistakes

I don't owe everyone an explanation of my life

I don't need to be somebody else to be special

I'm a beautiful work in progress, and I will glow

Life is wonderful because I choose to make it so

My imperfections do not make me matter any less

I choose not to be petty and not to take everything too personal
